2018 RYDER CUP PGA MEMBER TICKETING

Le Golf National, Paris France
Sept 25-30, 2018

PGA Members from PGAs of Europe Full Member Countries are entitled to **1 daily ticket per day or season ticket for free, and 1 daily ticket per day or season ticket with a 50% discount.**

The process of buying tickets is different to previous years in that you must pre-register your interest before gaining a unique access code that will allow you to purchase tickets when the PGA Member platform goes live at the end of January 2018.

PROCESS

1.

PGA Members must pre-register their interest in obtaining tickets by sending their **full name, email address, and membership number** to their PGA by 1st December 2017. Take care to ensure the information you provide is correct.

2.

After 1st December, each PGA will share this information with Ryder Cup Europe Group's ticketing suppliers.

At the end of January 2018 PGA Members who registered interest will be sent, via email, a unique access code, along with the link to access the ticketing platform.

3.

This access code and your email address will allow you to log into the Ryder Cup ticketing platform. You will not be able to enter the ticketing platform without this access code, so it is important you keep it safe.

The access code and platform will be active for 15 days.

There is a limit of 2,000 tickets per day for PGA Members, so tickets will be allocated on a first-come, first-serve basis.

4.

After the purchase/booking is made, you will be asked to upload a photo. Details on how to do this will be shared within six weeks of ticket purchase.

The costs of your tickets will be debited from the credit / debit card given at the time of booking.

Tickets will be shipped to the address indicated during the purchase/booking process (shipment will start in Summer 2018).

THINK ABOUT WHO YOU WANT TO GO WITH

You can book 1 daily ticket per day or season ticket for free and 1 daily ticket per day or season ticket with a 50% discount.

In order to buy the additional ticket you will need to know the **full name, email address** and **date of birth** of the other people you will be buying tickets for.

Please note that once you buy the tickets, you will **not** be able to change any of the details provided.
