Due to the special conditions of the tournament and in the case of a course resort, it is very important that we do everything possible to accommodate as many players as possible in the hotel, since the continuity of these tournaments depends a lot on it and the prices have been quite adjusted to that it may be so We have managed to remove the obligation of accommodation but we trust that the vast majority will respond to the importance of doing so.

From the Montebelo Golf Course they are making a great effort with all their partners to keep the course in excellent condition.
